Connie will be conducting a 2-day theory/working/problem solving seminar. She will begin by spending an hour on Sat. morning discussing how dogs learn. She then will work with the handlers and dogs attending. Generally, there are people who are having problems or are unsure how to teach attention, heeling, retrieving and recalls so this becomes the focus of the first day. The 2nd day, Connie can cover a variety of problems and questions such as go-outs, articles, drop-on recalls, etc.
