**Presenter: Jill Marie O'Brien, CPDT-KA, CNWI**

Co-founder: National Association of Canine Scent Work, LLC® & K9 Nose Work® APDT#2032

**January 12, 2019**

**Kickstarting Your Search: Hands On with Real-time Feedback, ORT/NW 1, 2, or Equivalent**  
The dog must be working on at least one odor (birch).

**January 13, 2019**

**Taking Your Strategy from Planning to Execution: NW3-Elite Level, Other Venues**

**Location: Blue Springs 'n Katydid Dog Training Center, 2980 W Oxford Ave # B, Englewood, CO 80110**

Handlers are encouraged to share up to 3 concerns that they are having either in training or trialing. THIS IS HANDS ON TRAINING with a CO-FOUNDER. Jill Marie will analyze your performances with your dog and you and she will be giving you suggestions on how to make you and your dog work as a team in the K9 Nose Work or other venues arenas. She will work through a variety of these concerns during each element with the handler in a hand on approach. NO lecture or video review will be given, but a handler can ask someone to video them during the training process.

**Registration will open on November 12, 2018 at 10am MT.**

**The lottery for spots for each element will be on November 20, 2018.**

**Registration will close December 4, 2018, at 5pm MT, unless there are opening.**

What a great event to start the New Year off right! Either by a working spot or just soaking it up with auditing for the elements that you need in one day or two days. Check out the special treat at lunch time as well.

### **Workshop Fees**

Saturday or Sunday working spot: \$75 per element

Saturday or Sunday audit spot: \$35 per element
