

MOUNTAIN STATES DOG TRAINING CLUB PRESENTS: 2022 K9 SCENT DETECTION SEMINAR

PRESENTATION BY: FRANK HURST

Frank has thousands of hours K9 Handling and training with over 160 Bloodhound Deployments. He has 20 years in Human Decomposition Work, Over a decade of Narcotics Detection Work, and has assisted Over 65 different Law Enforcement Agencies in 15 states. Frank and his Bloodhound Radar were the 2016 recipients of the AKC Uniformed Service K9 ACE Award. He is an NACSW Trial Judge and has instructed numerous classes and seminars.

WHEN : Saturday, July 30, 2022

**WHERE : Blue Springs N Katydid Dog Training Center -
2980 W Oxford Ave, Englewood, Co**

What to Expect:

Frank will be presenting a fun and interesting look at how weather can and does effect K-9 scent work. Factors including airflow, ventilation, heat, cold, humidity, barometric pressure and scent movement will be discussed. Frank will also talk about his work with his K-9 partners over the years and how they help to solve major crimes. This IS NOT a working Seminar .

REGISTRATION Pre-Registration Required -

Fee : \$50
